

LIFE EXTENSION SOLUTIONS FOR LEGACY EQUIPMENT

# IEC METRIC REPLACEMENT MOTORS

## BROOK CROMPTON

## PSC CAN FULFILL ALL YOUR AC & DC MOTOR NEEDS

Parts Super Center supplies genuine, new OEM renewal parts for original GE industrial electrical equipment, including drives, motors, starters, motor control centers, switchgear, transformers, and other GE electrical products. Located in Indianapolis, we also stock and sell parts for some mechanical products including GE gas turbines and Waukesha gas engines.

PSC offers Brook Crompton IEC motors for all your international motor replacement needs, among many of your other product needs. **Immediate shipment is available on most designs.**

Contact PSC for price and delivery quotes.
